CONST BRAZIL **US FUND LP EQUITIES IV**

FUND'S OBJECTIVE

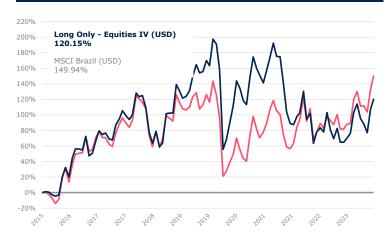

The fund's objective is to provide sophisticated investors with superior risk-adjusted returns by investing in stocks listed on the Brazilian stock market through a rigorous research-driven, bottom-up fundamental approach, while carefully attempting to control portfolio risk and transaction costs. The fund does not intend to track market indices and generally invests 70% to 105% of the NAV. Leverage is rarely used and excessive concentration is avoided.
